WHY CHOOSE OUR RECRUITMENT MARKETPLACE FRANCHISE?

Recruitment stands as a significant industry, with corporations investing substantial sums in external recruitment services in various countries to identify potential talent. Our approach involves introducing an advanced B2B marketplace tool that seamlessly aggregates Employers and Recruitment Agencies onto a single platform.

The recruitment landscape is notoriously challenging, and the future lies in online recruitment marketplaces like ours. If you seek fair treatment from clients, complete business transparency, and the ability to set your terms with clients, then joining an online marketplace, such as ours, is preferable to being an offline recruitment agency.

In the realm of recruitment, there's no necessity for a dedicated team of recruiters or a sales force to generate income. We provide you the opportunity to tap into our existing and new client base, organically cultivated within your territory through our comprehensive marketing efforts. As a franchise partner, you will assume the role of the exclusive account holder for these clients.

EMPOWERING OUR FRANCHISE PARTNERS

As you embark on your journey as a Franchise Partner, we equip you with a unique employer sign-up link and a QR code, pivotal tools used to enrol new clients exclusively for your benefit. Additionally, we grant you access to our ADMIN PORTAL (CRM), empowering you to oversee and manage all client activities effectively.

Any incoming leads, sign-ups by employers directly from our website's homepage within your territory, are automatically credited to your franchise account for monetization. You also have the flexibility to promote your unique employer sign-up link beyond your territory, with no geographical restrictions, allowing you to expand your reach through personal efforts.

Stay informed with automatic email notifications each time an employer registers using your unique link or QR code. These registrations are instantly credited to your franchise account for monetization. Moreover, you will receive automatic notifications for every client activity, such as job postings, agency interactions, CV submissions, CV views, messages between clients and agencies, CV updates, employer/agency notes, and more. Rest assured; you will be kept informed about every single client interaction.

WE ARE WITH YOU IN EVERY STEP

We prioritize our people and offer comprehensive support for business startups. Providing guidance and advice can make a significant difference in helping businesses succeed. UNDERSTANDING THE FRANCHISE SPLIT FEE REVENUE MODEL

EXPLORING THE FRANCHISE EARNINGS STRUCTURE

By choosing to become our franchise partner in your city, you are strategically positioning yourself to invest in the future of the external recruitment industry. This vision entails creating a marketplace that bears resemblance to platforms like Amazon or Rightmove, albeit tailored specifically for the needs of Recruitment Agencies.

At present, we have established our legal entities in **Four** distinct countries: the United Kingdom, the United Arab Emirates (UAE), **US** and India. To initiate your franchise journey, there is a one-time franchise setup fee structure, as detailed below:

ONE OFF FRANCHISE FEE	
Country	Franchise Fee
UNITED KINGDOM	£25,000 + 20% VAT
INDIA	
Tier 1 City	₹ 5 Lakhs + 18% GST
Tier 2 City	₹ 3 Lakhs + 18% GST
UAE	AED 50,000
ROW	Starts from £10,000 (Price Varies Depending On Country)

REVENUE MODEL SPLIT FEE*

*FRANCHISEE EARNS 80% OF THE FEE, IF THEY FILL THE VACANCY BY THEMSELVES

Furthermore, you enjoy the distinct advantage of receiving prompt payments, synchronized with our client payment schedule. This obviates the typical 60-90 day waiting period often endured by recruitment vendors on our platform, unless, of course, the candidate's replacement guarantee period remains in effect.
